

-GOLD TOLAN SHOW-

Two things that you should know about me

I'll treat your heart so tenderly

Lay give some love down at your feet

Come take my hand and you will see

A little bit of romance in every little moment

Good as gold

Trade you all my money for your gold

Worship you 'cause honey you're like gold

You'll be my queen

Worth your weight in gold

You're good as gold

Everyone wants a love that shines

But such a treasure's hard to find

More precious than a diamond mine, girl

I'll cherish you if you'll be mine

I will be your rich man, if you would take my hand

Good as gold

Trade you all my money for your gold

Worship you 'cause honey you're like gold

You'll be my queen

Worth your weight in gold

Copper, silver, energy

All those things I'd surely trade

Give them all away to make you mine

Gold

Trade you all my money for your gold

Worship you 'cause honey you're like gold

You'll be my queen

Worth your weight in gold

You're good as gold

Good as gold

Good as gold

You're good as gold

You're good as gold

Well, you done, done me in, you bet I felt it

I tried to be chill, but you're so hot that I melted

I fell right through the cracks, now I'm trying to get back

Before the cool done run out, I'll be giving it my bestest

And nothing's gonna stop me but divine intervention

I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more

It cannot wait, I'm yours

Hmm, hmm (eey)

Well, open up your mind and see like me

Open up your plans and, damn, you're free

Look into your heart and you'll find love, love, love, love

Listen to the music of the moment, people dance and sing

We're just one big family

And it's our God-forsaken right to be loved

Loved, loved, loved, loved

So I won't hesitate no more, no more

It cannot wait, I'm sure

There's no need to complicate, our time is short

This is our fate, I'm yours

D-d-do you, but you, d-d-do

But do you want to come on

Scooch on over closer, dear?

And I will nibble your ear

I've been spending way too long checking my tongue in the mirror

And bending over backwards just to try to see it clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I be saying is there ain't no better reason

To rid yourself of vanities and just go with the seasons

It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more

It cannot wait, I'm yours

Open up your mind and see like me

Open up your plans and, damn, you're free

Look into your heart and you'll find that the sky is yours

So please don't, please don't, please don't

There's no need to complicate

'Cause our time is short

This is, this is, this is our fate, I'm yours

-JUST THE WAY YOU ARE-

Oh, her eyes, her eyes

Make the stars look like they're not shinin'

Her hair, her hair

Falls perfectly without her trying

She's so beautiful

And I tell her every day

Yeah, I know, I know

When I compliment her, she won't believe me

And it's so, it's so

Sad to think that she don't see what I see

But every time she asks me: Do I look okay?

I say

When I see your face

There is not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause, girl, you're amazing

Just the way you are, yeah

Her lips, her lips

I could kiss them all day if she let me

Her laugh, her laugh

She hates, but I think it's so sexy

She's so beautiful

And I tell her everyday

Oh, you know, you know

You know I'd never ask you to change

If perfect's what you're searching for

Then just stay the same

So don't even bother asking if you look okay

You know I'll say

When I see your face

There is not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause, girl, you're amazing

Just the way you are

The way you are

The way you are

Girl, you're amazing

Just the way you are

When I see your face

There's not a thing I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause, girl, you're amazing

Just the way you are, yeah

-ADORE YOU-

Walk in your rainbow paradise (paradise)

Strawberry lipstick state of mind (state of mind)

I get so lost inside your eyes

Would you believe it?

You don't have to say you love me

You don't have to say nothing

You don't have to say you're mine

Honey

I'd walk through fire for you

Just let me adore you

Oh, honey

I'd walk through fire for you

Just let me adore you

Like it's the only thing I'll ever do - 2

You're wonder under summer sky

Brown skin and lemon over ice

Would you believe it?

You don't have to say you love me

I just wanna tell you somethin'

Lately you've been on my mind

Honey

I'd walk through fire for you

Just let me adore you

Oh, honey

I'd walk through fire for you

Just let me adore you

Like it's the only thing I'll ever do - 2

It's the only thing I'll ever do - 8

(Aah)

I'd walk through fire for you

Just let me adore you

Oh, honey

I'd walk through fire for you

Just let me adore you

Like it's the only thing I'll ever do

(Ah-ah-ah, it's the only thing I'll ever do)

(It's the only thing I'll ever do)

I'd walk through fire for you (it's the only thing I'll ever do)

Just let me adore you

Oh, honey (aah, it's the only thing I'll ever do) - 2

I'd walk through fire for you (it's the only thing I'll ever do)

Just let me adore you (it's the only thing I'll ever do)

Oh, honey

Just let me adore you

Like it's the only thing I'll ever do
